Settlement Advisory Services for AMBA for Ivey HBA Graduate Students

Ivey is proud to partner with CityMatch to provide advice to Accelerated MBA for Ivey HBA students who are returning to London to complete their MBA. This program has been designed to assist Ivey students who are familiar with London but still must navigate the housing market and may require shorter-lease options. The program includes:

- Needs assessment and a one-hour video consultation;
- A housing market orientation for to help you get ready for your self-directed accommodation search, including our housing and rental guide;
- Access to our curated housing and neighbourhood web portal to assist with your search efforts and assistance with curated list of recommended properties to consider;
- Assist with making connections with other AMBA for HBA Grad students that are seeking roommates in the MBA program;
- Information and guidance about the rental application process and how to deal with challenges of renting under the standard 12 month lease term;
- Reference guide on how to register for tenancy insurance, internet service and utilities along with a general understanding of what is expected prior to occupancy;
- Invitation to join the “Meet your neighbour’s property/neighbourhood database” to learn about MBA classmates living nearby; and,
- Information and reference guide about life in London.
